

Winter Park Lacrosse Club

Winter Park, Florida

Mission Statement

Winter Park Lacrosse Club (WPLC) is a developmental youth lacrosse organization.

WPLC's mission is to develop young lacrosse players by teaching, developing skills, promoting sportsmanship, and supporting their families, teammates, and their community.

We can accomplish these goals by teaching players the fundamentals of the sport of lacrosse from a young age and allowing them to develop as individuals and as a team by instilling our core values.

Our Core Values are:

Fun

Skills

Sportsmanship

Family

Community

Our ultimate goal is to develop all young players in the Winter Park, Maitland and Orlando areas and prepare them to play for Winter Park High School by developing players starting at a young age to understand and appreciate the sport of lacrosse.

Winter Park Lacrosse Club offers coaches with over 20 years of combined experience. Coaches develop organized practice and game plans and support all players' involvement in the Club.

Winter Park Lacrosse Club has a volunteer Board of Directors that in conjunction with parents and coaches, supports the club through instruction, direction, fundraising, and community support.

Winter Park Lacrosse Club believes that with the support of our entire community of Coaches, Parents, and Players, Winter Park Lacrosse Club will uphold the vision and goals of a program that will develop young people in life skills as well as the sport of lacrosse.

Go Cats!
